## From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower.

Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your eyes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](http://virginmary-messagebook.excerptsofinri.com/)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/>

## **MESSAGE #1278 from Jesus November 28, 1997**

My child,

It is never easy for one to admit they are wrong, but when they do, much weight is lifted off of them because they feel much peace. I am pleased with those who humble themselves and who take responsibility for their actions. It is through obedience and humility that one is drawn closer to Me. It is in this way that one realizes that they must be totally dependent on Me. Without humility, one cannot see how their selfish desires truly offend Me.

In order to come closer to Me, you will have to be more honest with yourself. You will have to deny your needs and wants and desire only what is best for your soul. This does not come easy, it takes sacrifice on your part. It takes a true devotion to My Mother and Me. It takes a spirit that is willing to be persecuted for Me. Without a willing spirit, your desires will come before Me. Without prayer and a repentive heart, your distractions will pull you farther away from Me. You must allow time for Me so you can hear Me more clearly. I, Your Lord, cannot lead you if you remain blind. I need your eyes opened so you can see beyond yourselves. I need you more attentive to My Mother's requests so that you can be led closer to Me.

Tonight, I come as Your Merciful Lord. I have come because so many ears remain closed and because of this, many hearts have become hardened. I have come to give you strength, but also to help you see your foolish ways. In order for change to occur, you must allow Me to remove the darkness that you have allowed into your soul. You must allow Me to break you of your ways. You must allow Me to be in complete control. But this will only happen if you obey all the Commandments.

If you are still picking and choosing which Commandments you want to obey, then you will not see Heaven, for in order to live holy lives, you must obey My Commands. You must live the Beatitudes and be merciful. You must not be afraid to carry your cross. You must be proud to be a Christian and a true follower of Mine. You must love Me more than yourselves in order to stay strong and in line. You must be more patient with those around you. You must believe that I, Your Lord, am Divine and that I am ever so near. You must believe so you never forget that there is a God who cares deeply for you. If you believe, then listen closely each new day so that you can be guided.

Now, I ask that you ponder all that you have been told in your heart so that you are not led astray. My peace I now give to you, this peace comes from My Most Sacred Heart.

## **MESSAGE #1436 from Jesus April 26, 1998**

My child,

The humble are those who do not look for admiration. They are truthful and do not seek glory on this earth. They do not care what others think about them, they just strive to do their best to please Me. They are willing to be last, not anxious to be first. They are honest and do not become angry when corrected. They do not find fault in others, they work on their own. Those who are humble depend on Me, for they know they can do nothing without My help.

I am Jesus, Your Merciful Lord. I am here for each of you, but before you can feel true peace, you must abandon yourself and rely on Me. You must be humble and more willing to learn by your mistakes. You must remove any pride that you have allowed to enter your heart and soul. The closer you come to Me, the greater your desire will be to abandon yourself totally to Me.

It is through humility that one will come to know Me in a deeper way. For it is through humility that one allows Me to teach and show them a more perfect way. Until one practices humility, one will not be loyal to Me. Meditate on this truth and then be more willing to allow Me to help you.

Don't allow the world to teach you that pride is acceptable, for it truly displeases Me. Pride is what prevents one from wanting to change. Pride causes one to be dishonest with themselves. Pride is what will pull you away from Me, for when one is prideful they deny My assistance.

Change will only occur by breaking away from whatever is causing you to sin. Change will occur if you take time to pray and truly take time to come to know Me. You can be no help to others if you don't first take the time to come to know Me. It takes practice and effort on your part, but if you pursue, your love for Me will grow. Your desires will change, for Our friendship will deepen.

Through obedience and sacrifice it will be much easier to give up all that is not pleasing to Me. If you listen when I correct you, you will then know which areas in your life that need change. Don't put off these areas that need change, strive hard each new day. For it is through your effort and willingness that you will grow and mature. Don't just say you love Me, but love Me with your whole heart. Show Me that you love Me, by your desire to truly want to change.

Now, come to Me, for I am Your Merciful Lord and I will help each child who comes with an open heart. Allow Me to help you on this earth and I promise you peace will then enter your heart and soul. I am waiting. so seek refuge today.

## **MESSAGE #2400 from the Blessed Mother October 31, 2002**

My daughter, The battle is on, and my children must be true warriors for Christ. They must put their armor on each new day and march, march in unison.

I say to all my children, prepare now for the many battles yet to come. Prepare now and live, live your faith. Prepare now by truly taking refuge in Jesus' Most Sacred Heart. In order to prepare your hearts, you must first decide whose side you want to be on. You must then renounce evil and live each day for Jesus Christ. You must be true believers and not live a lukewarm life. You must let go of all pride and be humble servants for our Lord.

Please, dear children, do not allow Satan to rule your life. Satan's venom is strong, and he is truly in search of souls. Satan loves war, and he truly wants to destroy this world. Choose now to work with Jesus and walk, walk with Him. Trust in His assistance, and cooperate by truly living a life that is pleasing to Almighty God. Be meek and humble, and allow God to be in control of your life. Desire only what God desires, and give up your worldly ways. Obey each commandment, not just the one that is easiest for you. Sacrifice and do penance each new day. The time will come, and each person will see their soul. Woe to those who are living in sin. Woe to those who have abused this time to truly come to know God. Love, prayer and fasting is how the enemy will flee. Daily Mass and frequent confession is how you will be nourished and strengthened. Discipline and a commitment to serve Christ is how you will stay humble.

Now, please accept my motherly advice so that change can happen in your lives. Each of you must be prepared, so please respond and accept the truth. Live the Gospel with joy in your hearts, and live each day for Jesus Christ. Amen.

**MESSAGE #2518 from the Blessed Mother August 19, 2003**

My daughter, Those children who pray the Rosary shall be protected by my mantle. They shall be protected from the evil that lingers, lingers in this world.

God is so pleased when He sees so many little children praying the Rosary. God is pleased because their prayers are truly from their heart. All must become little in the eyes of God and be humble, loving children. All must pray from their heart in order for their prayers to reach Heaven. Be little children, for God chooses the simple to do great work for Him.

Be humble, loving children so that God can use you in a powerful way. Do not boast or be prideful, for this is what will distance you from God. Be truthful and loving so that the world will see the joy of Jesus shining through you. Do not criticize or judge others, for this will prevent you from being a child of God. A loving, humble heart is what will conquer the forces of evil.

Now, please keep your focus on Jesus and by your humility and acts of kindness you will become strong warriors for Christ. Strive to be little, little children and you will be led closer to Jesus. Through your response you will grow in holiness, so do not delay. Be little, loving, humble children. Amen.

## **MESSAGE #2527 from the Blessed Mother September 15, 2003**

My daughter, I am here today to remind my children to live a simple, peaceful, holy life. I am here to manifest my love to all my children. I am here to teach my children so that you choose the right path.

Those who listen to these heavenly messages must begin today to live them. Conversion will happen if you listen, respond and obey, obey God. Conversion will happen if you let go of your desires and surrender your will to God. My heart is sorrowful when I see so many children living in sin. My heart is sorrowful when one chooses to have an abortion. It brings tears to my eyes, for each soul is so precious to God.

Each child is so loved and God has a special plan for each and every soul. Man does not have the right to decide who should live and who should die. God is the Creator and one must trust in His love, mercy and guidance. God is merciful and He knows what is best for each child. Until you truly open your hearts and trust in His Divine Wisdom, you cannot comprehend His love, mercy and compassion.

If you truly want to imitate Christ, then you must be merciful, kind and compassionate. You must love your enemies and console those in need. You must receive Jesus often and spend time adoring our Lord. You must be faithful to your responsibilities and ask, ask my Son for guidance. You must support your Most Holy Pope and obey God's commandments. You must be loving, humble children and avoid sin and march, march in unison. You must not allow pride or disobedience to darken your soul.

The enemy is sly so you must stay close to Jesus' Most Sacred Heart. You must use the protection God has provided for you and faithfully pray the Rosary from your heart. You must not let a day go by without prayer. You must never depend on yourselves, for this is dangerous. You must trust in God wholeheartedly. You must trust in God and be humble, humble servants. You must try your best each new day to live, live the Beatitudes.

Now, please examine your heart carefully and then do what God is asking of you. Call upon the Holy Spirit and then work on those areas that are pressing on your heart. The climb, dear children, is not easy, but if you obey God and live the Gospel, you will have joy and peace in your lives.

Now, please keep your focus on Jesus and be simple, loving, humble children. Desire to do the Will of God and embrace, embrace, embrace His love. Amen.

## **MESSAGE #2566 from the Blessed Mother December 17, 2003**

My daughter, You have been chosen to write and relay these messages, so please write each time I come to you. These messages will help those who listen and respond.

Many today are not taking heed to the Gospel, so that is why there are so many messengers in these times. God's words must be made known all around this world. God's laws must be obeyed before it's too late. All must repent and live their faith. All must turn their life around and amend their ways. All must do their part and be true Christians.

In order to be like Jesus, you must be merciful. You must open your hearts and be loving and compassionate to those around you. You must examine your conscience and work on those areas where you are weak. You must let go of any anger and pride and be humble, loving children.

In order for change to happen, you must pray more. You must spend time with Jesus and then allow Him to mold you so your hearts soften. Without God's loving assistance, you will be tempted to take the easier road. You must allow God to purify you so you can truly become strong soldiers for Christ.

It is time now to ask my Son for His divine assistance. It is time now to let go of your desires and allow God to be in charge of your life. Begin today and take refuge in Jesus' Most Sacred Heart. Begin today and ask, ask for Our assistance. Ask and you shall be given the guidance needed to stay on the right path.

Lack of humility is why so many are refusing to ask for God's loving assistance. Lack of trust and confidence in God is why so many are relying on themselves. Lack of faithfulness is why so many children are falling further away from God.

Please be humble children and turn to God. Be humble so that you can fulfill God's Will. Be patient and loving and I promise you the answers will be given to you. Depend on God and not yourself, for again I say to you, you are weak without my Son's help. Trust in God and be humble and you will receive the grace needed to persevere.

It is time now to move forward, so please, please respond. Respond today and pray, pray for humility. Pray today and then practice all that you are being taught. Pray today so you progress spiritually so you live a life that is more pleasing to God. I will be with you when you pray, so pray, pray dear children, throughout the day. Pray and give thanks to Almighty God. Amen.

## **MESSAGE #2802 from the Blessed Mother August 8, 2005**

My daughter, Humility and patience are needed, for God knows what is best for your soul. God knows what is best for the world, so trust and persevere each new day. In time, each child will see their soul and they will know how many wounds they have added to Jesus' Most Precious Body. The day will come in God's most perfect timing.

The day will come, so I say to my children, prepare, prepare your soul now. Get down on your knees and examine your conscience. Go to Confession regularly and do penance for your sins. Be truly sorry for the sins you have committed and ask for forgiveness daily.

Join God's army of love and be true apostles in these times. Let go of fear and be willing to be persecuted for sharing these messages which are that of love. The Gospel must be made known, so do not be afraid to share these messages of love and truth. In time, all will know that I am truly here for all my children.

Now, please be willing to suffer for Jesus. Be willing to pick up your cross each new day. Share all that I am teaching you and assist those who have opened their heart. Call upon the Holy Spirit so the Gospel flows from your heart. Many need assistance, so please go forth and take part in saving souls.

Please go forth, for God's Justice will prevail. All that has been written must be fulfilled, so believe, believe and take heed to the Gospel. Amen.

**MESSAGE #3016 from the Blessed Mother August 29, 2007**

My daughter, The Gospel must be spread, so continue to write each time I come to you. Many today are choosing darkness and they need to hear the truth.

Please, dear children, be humble servants and assist me so more come to know My Son, Jesus. Please keep your hearts open so that God can use you in this time of mercy. It takes discipline, commitment to prayer and an open heart if you truly want to follow Jesus. The world will try to distract you, so please stay prayerful, stay close to Jesus' Most Sacred Heart. Be humble and obedient to God's laws. Be truthful and examine your conscience daily. Forgive those who have hurt you and pray, pray for them. Do not allow pride or unforgiveness to become imbedded in your hearts. Be loving, prayerful children so that hate does not enter.

It is time now to move forward, so please respond to my heavenly pleas. I am here to protect you so you do not fall into Satan's traps. Repent and amend your ways and focus on My Son's Passion. Repent and believe in God's love for you. God will truly assist you if you are humble, loving and prayerful.

Please turn to Jesus and desire to live in perfect union with Him. Amen.

**MESSAGE #3026 from the Blessed Mother October 11, 2007**

My daughter, Love, prayer and fasting is how my children will make a difference in the world. Without love in one's heart, peace cannot exist. Without prayer and fasting, the enemy will attack.

You must begin today to join hands and work together. You must be humble, loving children so you do not turn others away. You must practice what I am teaching you and pray together in your home. God will truly help you if you use the protection God has provided for you. Prayer is so important, so please pray each new day. Let go of your selfish desires so that God can truly work through you. Fast on those days that I am asking of you. Fast and pray. Work on those areas where you are weak so that you grow in holiness.

Your first love must be God, so please desire to please Him. Spend time in prayer and ask God to purify your heart. Ask God to teach you how to live more simply. Ask God to assist you on those days when you feel like giving up. Please be humble and turn to God for all your needs. It is impossible to walk alone, so please take Jesus with you wherever you go.

Now, please begin today to live these messages. Begin by truly loving one another. Change will happen soon, so please turn to God and ask for His assistance. Ask and then be willing to change so God can truly dwell in you. Amen.

**MESSAGE #3069 from the Blessed Mother March 28, 2008**

My daughter, Keep your focus on Jesus so you are not tempted to give in to the ways of the world. Satan wants to pull my children away from God so please pray, and do your part for the salvation of souls. Meditate on Our Lord's passion and you will truly feel His love for you.

Please dear children, renew your dedication to God. Pray more and arm yourselves with love, humility, and charity. Make more time to be alone with God so you are not distracted by the world. Your heart will be filled with peace and your desires will change. You will not long to hear gossip. You will long to hear Our Lord. Change is necessary if you truly want to grow in holiness.

Discipline yourselves so that you have true sorrow for your sins. Do not make excuses for your sins as it will hinder your growth. Be honest, humble children and work on those areas where you are weak. Keep your eyes on Heaven, so you work hard to please God each new day.

Now please turn to God and humbly pray for the grace needed to truly do God's will. Turn to God and allow Him to purify you. Amen.
